Experts in Access Control, focussed on Excellence

Controlsoft have over 25 years' experience in the development, manufacture and distribution of Access Control Solutions.

We are experts in our industry sector and offer a comprehensive range of access control solutions that are not only price competitive but easy for both our partners to install and their end user customers to manage.

With over 10,000 systems in daily use around the world, we are reliable and committed to excellence in our products, customer service and support.

In addition to our own products, we distribute many third party products in order to deliver the complete solution to our partners. These include HID (Readers, Credentials and Fargo card printers), Allegion (Hand Readers), Morpho (Fingerprint Readers), Third Millennium (Readers), Iris ID (Iris Readers) and Aperio (Wireless Locks).

Controlsoft believe in long term partnerships with both our Customers and Suppliers.
